

Undertaking for 6-month Internship (A Category)

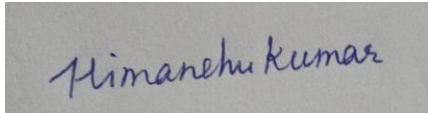

I, Himanshu kumar roll number 2022215, student of b.tech,cse (course and stream), hereby declare that I am willingly participating in 6-month internship hiring process by A category companies. Internship starting from Jan 2026.

I understand & give my consensus that if I receive a 6-month internship offer from an A category company, I will not apply to any A category company (FTE or Intern+FTE). However, I will remain eligible to apply for and hold offer from only A+ (FTE) category companies.

My current CGPA is 6.33 . I have completed 128 credits. I have taken 150 credits till now and 6 credits are remaining for the final semester. Which I will complete by taking (IP/IS/BTP/Online Courses) btp /online course [choose whatever is applicable].

I confirm that the information provided above is true to the best of my knowledge.
